March 2020

President's Message:

Dear Members,
 Busselton and
 Bunbury was a
 fantastic venue for
 our Teams' Carnival and Individual
 Championships in January.
 The new centre was outstanding,
 and NSW fared very well in both
 the Teams and Individuals. Mary
 Gordon once again was
 unstoppable in her 4 Events and
 picked up 4 Gold medals.
 For those who play in the Teams
 Carnival they know what a great
 week it is. It would be good if we
 can encourage more players to
 nominate for a team. Please speak
 to your friends and see if we can
 increase the number of teams for
 Canberra next January.
 Do not leave it till late in the year
 as now is the time to let us know if
 you would like to play. Also, many
 teams have the same players in
 their team each year. This is good,
 but why not split some of the
 teams into 2 and bring in some
 new players, so all can share in a
 great event.
 We are embarking on a new
 membership drive as of now, so
 please encourage your friends to
 become members and be part of
 our wonderful group. Have a look
 at the tournament program and
 consider playing in some of the
 country events. I can assure you it
 is always a fantastic weekend and

Teams Carnival – Busselton

What a Fortnight

The 2020 Australian Seniors Tennis Teams Carnival hosted by TSWA was held at Busselton and Bunbury from 5-10

January. Matches were played on natural grass at the NEW Busselton Tennis Club and the old site at Bunbury Tennis Club, 45-minutes away. There were 55 courts used. The condition of the courts varied between venues. Overall the weather was good, with the exception of the wind off the ocean. The “Fremantle Doctor” made his presence felt a little too often, which made for some very challenging sets of tennis.

There were 118 teams competing in the Teams Carnival – 64 women’s teams and 54 men’s teams - Four teams from overseas – two from New Zealand and one each from Malaysia and Japan. The home state Western Australia had over half of the teams at 60, NSW had 17 teams, Queensland 12, Victoria 11, and South Australia and the ACT 7 each.

The Opening Ceremony was held in the Undalup Room and Gardens at the City of Busselton Offices. On the Monday night there was an Evening with Margaret Court. Unfortunately, NSW State Dinner was held that night, preventing our players from attending. From all reports it was a wonderful interactive and informal evening during which Margaret gave an insight into her early life growing up in Albury, some tennis highlights, and some anecdotes of her life on tour between 1960 and 1977. Margaret also sold copies of her Autobiography on the night.

The Annual TSA Awards for 2019 were announced at the Carnival Dinner/Dance held on the Friday evening. Kerry Ballard (NSW) was

awarded the Player of the Year (for performances in World titles), where Kerry won two of three Over 70 events. Robert Hughes (VIC) received the Administrator of the Year and Kim Blackburne (NSW) received the Player Recognition Award (to a player who had battled through adversity or illness to continue playing at a high level. Kim was #2 Singles player in the Queen’s Cup W75+ team) and is continuing the fight against breast cancer.

The Individual Championships followed the next week (12-17 January). All of the matches were played in Busselton, with most at the new centre. The oldest age group was the 85 men’s singles with 4 entries and the 80 women’s singles with 7 entries.

Ros Balodis was highly successful as always, winning all three of the 60+ events. She won her singles losing only 5 games on the way through. Kerry Ballard (NSW) joined her to win the doubles and she combined with her world title mixed partner Peter Hampton (NZ) to win the mixed doubles.

Mary Gordon won all her events as well, 80WS – 75XD – 80WD. *“After 7 years of competing in the Teams’ Carnival I can say on behalf on my team that we thoroughly enjoy the tough competition in the Carnival.*

It is a great week to see how our tennis stands up to Australian representatives from Queensland and Victoria. We have been playing the same girls from these states and have a great camaraderie with them on court and off court.

The State dinner is a fun time to socialise and feel part of the wider NSW tennis community and the Dinner Dance a Glamorous night

to share the stories and highlights of the week with new and old friends.

Wanda has finally remembered our names, it has only taken 7 years, but all good fun. The location of the Busselton Tennis Club was spectacular and the view from the Jetty breathtaking. We look forward to revisiting Busselton, there were many tourists spots still to visit. Perth was close by and Fremantle called to us to enjoy seafood platters looking out to sea. Once again a thoroughly enjoyable week of tennis, food, friends and memories.”
Monique Spiller - Team Captain W50.

From Left to right - Adrienne Avis, June Simpson, Mike Ford, Travis Atkinson, Bruce Rehn, Don Biddle, Bob Howes, Kerry Ballard.

This elite group was treated to a special lunch on January 27 at the AO, in recognition of their sterling efforts overseas in 2019.

Kerry Ballard finished the year as #1 in each age bracket having won two and runner-Up in XD, taking out the 70WS and 70WD.

Each of the others won at least one Gold Medal.

Margaret Court at the Esplanade

An Evening with Margaret Court - Graeme Rossiter

As part of the 2020 Australian Seniors Tennis Championships the Esplanade Hotel in Busselton hosted a wonderful interactive and informal evening with Margaret Court, AO MBE, during which she gave us an insight into her early life growing up in Albury, some tennis highlights, and some anecdotes of her life on tour between 1960 and 1977.

Margaret spoke about her early years growing up as a "daredevil tomboy" in very humble circumstances, and leading the 'Smith Gang'. Her front gate was opposite the Albury and Border Tennis Courts and her first experience hitting a tennis ball was at the age of eight using a fence paling hitting an old tennis ball against the garage door. The 'Smith Gang' regularly crept into the tennis courts where they played tennis in bare feet using a variety of implements including warped and well used old tennis racquets and balls fetched by her ever-present Labrador dogs.

She spoke affectionately about Wal Rutter, the Albury and Border Tennis Coach who had noted her potential and invited her to his coaching clinics on the proviso she undertook work tasks around the courts, something she did with enthusiasm. As she improved, Wal pitted her against "the blokes" including footy star Jim Mathews, Harold Rixon, Les Scholz and Harold Wurtz, and although well beaten at times it forced her to play her famous serve and volley game which she said was clearly aided by her disproportionate long arms and big hands. She said that Wal was a wonderful man, but always hard on her. He was always looking for continuous and rapid improvement. If she beat one of the 'blokes' 6/4, 6/4 Wal would always point out what she should have done in order to win more easily.

Her first visit to White City was playing for Albury at Country Week. She won all her matches including the Junior Girls competition which included a young Heather McKay. Wal introduced her to Sydney-based Vic Edwards who thought she was "too scrawny" ever to be a great tennis player. He would later change his tune as Margaret came up against Lesley Turner and Jan Lehane (both of whom Vic Edwards coached). Melbourne-based Frank Sedgman, along with Keith Rogers (one of Melbourne's top tennis coaches and ex footballer) and Albert Mulhauser (clothing manufacturer) coached, mentored and sponsored her, and importantly got her into the gym and a strict training regime. Margaret felt it was her fitness that gave her the edge in tight matches. Although there were good times, Margaret spoke about the hard times on tour, and especially those under Mrs Hopman, who it would appear was less than sympathetic to any issues the Australian girls had, including when Margaret was hospitalised in London, and Mrs Hopman visiting her and almost demanding she get out of the hospital bed. Prizes for national titles for women were 'interesting' and included a make-up case (with nothing in it) and an umbrella.

Margaret went through her various stages in her touring career including her relationships with on-court rivals Billie Jean King (Moffitt) and Evonne Goolagong, all of which is detailed in her book *Margaret Court, The Autobiography*. Personally signed copies were eagerly snapped up by the audience.

Robyn's Moat

As you do, you hire a car from Perth, and you then have your own transport to go from venue to venue.

Taking a wrong turn at a roundabout caused him to arrive an hour late. All good, park the car and go into the Club – except that you forget the Car Rego number. Helpers from the Busselton Club, and others who can “break into cars” find a way to get inside this rental car. They then go to the boot to find his tennis gear etc, on instructions from this “interstate visitor” – nothing in the boot! Oops! Senior moment....

He THOUGHT it was parked at point A, on the street near the courts. Four cars up, the car was parked at point B. (It wasn't Bob H, was it?)

REST in PEACE

Within a few weeks of celebrating his 80th Birthday, Les Sherwin DALE, former President of Blacktown Tennis, passed away in Blacktown Hospital Intensive Care Unit. Les was a Professor of Physics, and worked for the Australian Nuclear Scientific Technology Organisation (ANSTO) at Lucas Heights - a very clever man. In tennis terms, Les was the youngest President of the Association, at 20 years of age - a position he held for 12 years. He played tennis socially on a weekly basis and Inter District for Seniors' and for Blacktown Association. Having smoked for most of his life, Les succumbed to Lung Cancer. He is survived by two sons and a daughter.

## *From the Secretary's Desk*

TSNSW has been told of some funds that are available to tennis people down the South Coast – who lost everything – or lost their capacity to make a living.....It was raised at the Australian Seniors Championships in Busselton. If this fits YOU, or you know someone who fits the bill, please send me an email as soon as you can and we'll go from there! The money is NOT going into General revenue for the Fires.

There are also many people willing to donate Manchester and Clothing to help out if you have bought or are about to buy replacement / demountable living quarters such as a cabin or perhaps a caravan – please let us know where to send these items.

We are genuinely interested in helping you in the way you NEED help - please tell us! If anybody has ideas, please let us know and we'll do our best to help out.

Moving right along.... Tennis Seniors NSW has purchased some medium-sized towels as gifts for 10 tournaments at least in this Calendar year – to be given as prizes along with any other prizes or money that the tournament Directors see fit. This has been initiated by one of the younger members on our committee – Brett Haines. (You may have already won one of these at Ulladulla.)

Brett has also been instrumental in applying for our very own APP! After paying for the set-up, it costs us a nominal fee per month – and we want EVERYONE who has a device to DOWNLOAD our APP. I-pads, I-Phones or Androids – they all work! The APP will have all sorts of useful information you can easily access – which can and will be sent to you via Notifications. When you open it, Login, Your Membership number, Tennis Retail Sponsor 20% discount, your birthday, Country Circuit Calendar and Closing dates, TDs, Major Events, Results of tournaments, News, Rankings and Ratings, Vetscore (Quarterly newsletter), Footer buttons – for both members and guests. Wow! How good will that be?

Looking forward to seeing you out there – playing your heart out – I'll be on the balcony with a wine in my hand!

See the links below for Victoria's and SA's NEW web address – Click, or Copy and Paste into your browser....

Bye for now, RC

## *On Being Over Bloomin' Eighty*

Today, Dear Lord, I'm 80 and having lots of fun

Do you think I could still be around until I'm 81?

I still have heaps of things to do, So with a bit of help from you, dear Lord, I'll still be here at 82.

So many places I want to see, Really I would like to stay till I'm 83.

The world is changing very fast, There is so much in store I still would like to be here when I'm 84.

If I'm active, healthy and I'm still alive I'd like to stay till I'm 85!

More planes will be in the air, Road traffic really thick, I'd like to see what happens to the world when I'm 86!

I know dear Lord, it must be nice In that place called Heaven, But I'd rather stay here on Earth till I'm 87.

I know by then I won't be fast, And sometimes very late But life would be rather pleasant When I'm 88.

I will have seen so many things And had a wonderful time, So I'm sure I will be willing to go – when I'm 99.

# Teams' Carnival – 2021 – Canberra

**I**t's time to think of gathering your friends and acquaintances - and spreading the good news about the Teams' Carnival in the first week of the Tennis Seniors Australian Championships - from January 17 (a week later than usual!) All you need is FIVE friends - and you have a TEAM!

They need to be about YOUR age, and standard if possible.... The competition age bracket will be the same as the person who is the youngest in your group. Six players – will see you enjoying plenty of tennis and social time in between matches!

There are four time slots per day from Monday to Friday – up to two sessions daily are played by each team. Session 1 at 8 am, Session 2 at 10.40, Session 3 at 1.20 and Session 4, from 4.00 to 6.30pm. Draws are made in time to select

your players for each match – and are published well BEFORE the event. Captains are responsible for selecting the players for each match – the main thing – it's a team effort, so each person needs to be prepared to play when needed, with all players being present at each match. There's a break of two and a half hours, when players can go shopping, have coffee, look around town and get back in time for the next session.

Each team member will receive a copy of the Player Book which has lots of helpful information...

Team nominations are received and entered by the State Secretaries. On completion of a Team Nomination Form and payment of the Team Fee.....usually in September-October - all team members must submit their own form and be prepared to wear the State Uniform in every match or risk forfeiting sets.

New South Wales has information

regarding uniforms on our website – scroll down to see our Team Shirts.....

Canberra will be hosting the event in 2021

Accommodation should be booked soon – Go to the ACT Seniors' website: <http://tennisseniors.org.au/act/index.htm>

Contact can be made with Graham Smith (President) 0407 208 209 or Secretary Warren Muller 0407 916 868.

Access to Next Gen Cafe will be available throughout the two weeks - Wine tastings every afternoon, and Social activities - Opening Ceremony, State and Carnival Dinners.

It is competitive team doubles in a friendly spirit!

## Julie Pascoe

**W**e are sad to advise that Julie Pascoe passed away on March 31, after a long battle with cancer over the last 15 months. She continued to live her life to the fullest during that time and kept up her work on boards and charities and, of course her beloved tennis, playing at least twice a week until January of this year.

It was important to her that very few people knew of her illness so she could just get on with life and continue to shine and make people happy.

Her husband, former Tennis NSW President Wayne has arranged for a link to commemorate and celebrate her life, and members are encouraged to register on this site, and leave a message or photograph of your memories with Julie.

To commemorate this moment "please post a photo or a message at the link below so we can all celebrate Julie's life together." <https://remembr.com/juliepascoe> There are three things to do:

1. Go to the link
2. Register your details and log in
3. Post your photo or message etc.

Julie started a Pascoe Memorial Fund with her favourite charity and, if you are interested, please go to the "gofundme" page, type in Julie Pascoe under the search button and follow the instructions there.

Julie was truly a beautiful person, in every sense of the word - vivacious, lovable, capable and giving who had the ability to make other people feel very "special." May she rest in Peace.

# Changes in the ITF

## From January 2020

If you currently have a Seniors Circuit IPIN registration and are entering an Australian ITF tournament for the first time in 2020, you will need to renew your IPIN before entering as your password will no longer be valid for the new IPIN website. If you do not already have an IPIN, you will need to register for one. Players will have an IPIN membership for a rolling 12-month period following the date of their registration or renewal. Registration and/or renewal of an IPIN is now free. However, players will need to pay an IPIN fee (A\$ 9) before their first match for each tournament. These fees are now to be paid directly to the tournament organisation.

Players will not be required to make an IPIN payment after they have played more than 8 tournaments within a calendar year. To renew your IPIN password: Copy and paste - then follow the instructions on this link [http://www.tenniseniors.org.au/pdfs/2020/2020\\_02\\_IPIN\\_%20Australian\\_ITF\\_Tournaments.pdf](http://www.tenniseniors.org.au/pdfs/2020/2020_02_IPIN_%20Australian_ITF_Tournaments.pdf)

## Greg Gibson 24. 3. 51 – 24.12.19 – R.I.P.

Greg Gibson became a member of Tennis Seniors in 2013. He was also an accomplished coach. On January 18, at Marrickville District Lawn Tennis Club - his wife and friends gathered to celebrate with stories, music, dancing and Hugs! (Prior to Coronavirus lockdown). This man was a lover of Holdens and would also love the opportunity to simply dress up and clown around - while having a beer! As Katrina reported, Greg was an amazing person who will be remembered with laughter and love.

# Vale tennis champ: Margaret Fisher

Margaret Fisher playing in Croatia.

**Stephanie Dale**

Margaret Fisher, Byron Bay's legendary world champion tennis player, has died.

Margaret passed away in Brisbane on 22 December, 2019, aged 89.

Well-loved right around the Bay, Margaret was a friend to everyone she met.

She was a woman who paid no heed to a person's place in society. Whether you were under a tree in the park, busking on the footpath, sitting quietly at her favourite coffee shop or behind the myriad counters where she

shopped, Margaret had time for everyone.

Last year Margaret was crowned Byron Shire's Senior Citizen of the Year. She would have hated that word 'crowned'.

## Turned down Queen Elizabeth II

In 1953 she was summoned to Australia House to explain why she had turned down an invitation from Queen Elizabeth II, who had invited her to attend a garden party at Buckingham Palace.

A country kid from Albury she had saved for three years to sail to England to play her way into Wimbledon. She was not giving up her tennis for anyone – not even the Queen.

Margaret was widely regarded as an inspiration to others. She was renowned for being fitter in her Eighties than she was in her Sixties.

Ten years ago she dusted off her racket and began playing tennis again for the first time in more than 20 years. The following year she became the Australian over 80s tennis champion and then set her

sights on international Gold. She competed in seven world championships during the following years, in 2016 becoming the World Super Seniors over 80s Silver medallist and in 2017 she became the world over 85s women's doubles and mixed doubles tennis champion (with partners Rosemarie Asche, from Canada, and Max Byrne TAS). Margaret was a veteran teacher who pioneered maths centres and English as a second language in Canberra schools. In her 50s she launched a second career in politics, working for various Labor MPs and senators, in both government and opposition. Margaret was deeply grateful for the support she received from the Byron Bay community for her tennis, via various crowdfunding campaigns and through sponsorship from Feros Care. Margaret is survived by her loyal companion, border collie Leo, also an icon around Byron Bay, as well as daughters Stephanie, Elizabeth and Virginia, her son Andrew, five grandchildren and two great-grandchildren.

## Farewell to a long – time friend and mother

It is with great sadness that we have to announce the passing of Yvonne Cambridge, mother of Megan Baker and friend of Yvonne Stanton for over 30 years. February 24, she died peacefully, aged all but 94 - fell short by a week. Yvonne was very passionate about the game - tennis. She was a member of NSW Tennis Veterans for many years. Competed in the Australian Titles to Tasmania, New Zealand, Perth in her time, not to mention her long membership at Casino and Lismore Tennis clubs. Yvonne enjoyed all aspects of the game, coaching, playing Vets, social tennis, Saturday afternoon comp, inter-district, tournaments at Ballina, Lismore, Kyogle, Casino, Miami QLD, Grafton, Murwillumbah, Tweed Heads, Tenterfield and Glen Innes to name a few. Not to forget the Country Week Titles held at White City in January each year. Passionate as a player and a spectator whether it be cheering for John McEnroe on TV, watching her students play or her own children Suzanne, Peter or Megan compete. She will be sadly missed. A memorial service was scheduled at Casino RSL on March 27 at 10.30am.

# ULLADULLA 2020

## Feb 21 – 23

**A**nother highly successful Seniors Tournament was held on 21, 22 & 23 February with 210 players participating over the three days. The weather started poorly with heavy rain on Friday morning, but luckily the weather changed and with the help of the “super soakers” we managed to start the singles event on time. Overcast weather continued on Saturday with a light misty rain falling for a very short time and perfect weather for tennis on the Sunday.

As usual we used the twelve courts at Ulladulla and the two at Milton. This year saw 49 new players participating in our

Mary Lou with prizewinners Sara Goddard (L) and Helen Worland (R)

tournament with 17 of those players entering in our ladies and men’s singles event for the very first time.

Of course, it was great to see so many of our regulars return again. This year was no exception with a number of our regulars missing out and in particular, a long list of men on the reserve list.

What fantastic tennis was played over the three days and all the players were most envious of the “winners” who also received a gorgeous Tennis Seniors NSW handtowel along with their prize money.

Unfortunately, this year we had lost our sponsor *Big 4 Bungalow Park on Burrill Lake*, so we were delighted to have Tennis NSW donate 4 ATP Cup tickets that became a major prize of our raffle. It was wonderful to see one of our local ladies win this prize. We also thank Tennis NSW South East Region for their donation of \$250. Due to our community being devastated with the fires this summer, we

used this money to purchase vouchers from local businesses, which was greatly appreciated. For a second year the generous Kay Philip donated her Mollymook holiday house for 1 week’s accommodation.

Ladies group at Milton

As usual our many volunteers kept everyone well fed and hydrated. Saturday & Sunday afternoons sitting on the deck after some scintillating tennis with a cold one, is a very pleasant experience. A wonderful weekend was had by all. A huge thank you to all the volunteers who helped throughout. It was greatly appreciated.

### *Farewell to our departed friends.....from ACT*

Brian Hurley, aged 94, passed away on January 14, after a long and active “tennis life”.

Chris Fraser, beloved daughter of Daphne and Victor Fraser from Cooma, succumbed to cancer on January 27, aged 58. She passed away peacefully, with her beloved Australian Open tennis playing in the background.

Chris was a most respected and well-loved member of Tennis Seniors ACT, having played in many teams from 1998 to 2016. She was not only a key team player, but also for many years responsible for getting team members together to form the winning teams.

Chris was passionate about tennis – as a player, as a spectator and as a student of the game. She was a great player herself, an avid follower of all aspects of the game, wonderful supporter and superb tennis talent scout.

Up until a few years ago, Chris was competing regularly in open and Tennis Seniors competitions in ACT, NSW and nationally. It was a privilege to be her teammate, and equally, it was a privilege to be her opponent.

She was competitive - this even extended to practise sessions. One time at Weston Creek, Ros, Rebecca, Chris and Helen were pounding the balls back and forth, with plenty of crosses and recoveries. The tennis coach on a neighbouring court, stopped his coaching lesson, so that his pupils could witness this sporting competitiveness.

Chris had integrity – Sometimes she would come to tennis saying she had made 30 phone calls to find a reserve so her teammates and her opposition could get a match. Loyal to her team, considerate and caring of others - her most endearing qualities were her fairness and her ability to accept winning and losing with equal grace.

She will be greatly missed. Our sincere condolences to the Fraser Family, especially Daphne and Vic.

Thank you to Leonie Ainsworth and Helen Holcombe for allowing the editor to use their comments about Chris
